

October 2021

Dear Tiger Parents:

Some thoughts:

- I have been sending messages through parent link. If you are not getting my messages please go to our website: www.lrcentralhigh.net Scroll down past the opening information at the top to the middle of the page. There you can sign up for parent link to get our school's messages.
- You can also get messages from our PTSA. That signup link is also on our website on the right of our website on the opposite side from the parent link.
- For all parents, Ms. Bankston, assistant principal, is also posting information to students and parents almost daily!
- We have had to limit Homecoming festivities this year – sadly. We are able to have spirit week here onsite, and of course we have the game Friday night here with Cabot. Please social distance everyone! We want to keep LRCH open for our onsite students.
- TASC occurs Tuesday - Thursday from 4:00 – 5:30 pm. Tutoring is being provided covering English, Math, and Science. If other subjects are needed, teachers or students can let me know and I'll see that we get them covered.
- On October 13th we will administer the PSAT to all 10th grade students for free. Juniors who go to SchoolCash Online on our school's website, lrcentralhigh.net and pay \$18 will also test on this date. There will be a mock PSAT on Saturday, October 2nd in the library at 9:00 am for Juniors. TASC will offer PSAT prep from September 28th – October 8th for students who participate in the mock tests. There is no charge for the Mock test or the tutoring. All students will complete the pre-administration materials in their Social Studies classes.

See other important Calendar dates below:

- **Monday, October 4 thru Wednesday, October 6** – “Check Us Out Days” from 9:30am - 1:30pm
- **Tuesday, October 5** – PTSA Meeting at 12:00pm (Virtual)

- **Tuesday, October 19** – **Report Cards** will be sent home with students and also available online.
- **Saturday, October 23 thru Sunday, October 31** – Red Ribbon Week

Thank you parents for all your support during this unusual time in the history of our country, our state, our city and certainly our school. I encourage you to stay on top of your child's academic performance and help as much as possible. We are partners! This is not an easy transition for our students or our teachers. Teachers are working so hard to teach many skills we believe were not assimilated last year due to the hybrid learning.

I hope everyone stays safe and well. I hope you know that you can call/email me anytime with anything at nancy.rousseau@lrsd.org /501-447-1402.

With Virtual Hugs attached!
