

September 2021

Dear Parents:

Thank you for all your supportive emails during this difficult time. Once again, we are excited and grateful by the number of families who have selected LRCH as their high school of choice for their children. We are proud that we can provide an educational package for every child. We pledge to continue to work hard every day to guide each child to where he/she needs to be academically. It is absolutely achievable for each child to be at or above grade level in literacy and math. Students coming to us who are not at grade level have been placed in classes that will assist them to reach these goals. Research supports the fact that schools need parental support and partnership for student success. We are a team! Please work with us to insure that your child will receive the best possible high school experience.
