International Studies Magnet Program

Central High School houses the LRSD International Studies Magnet Program. This program requires students to take a foreign language each year in addition to enrolling in two international studies courses.

Standardized Test Scores

Standardized test scores are attached to official transcripts, however some colleges will only take an official standardized score from an official score report sent directly from ACT or College Board. Students are instructed to report test results directly to those colleges through the College Board and ACT.

Rank

Central High students rank in class is computed each semester in grades 11 and 12. The GPA used to compute rank is a cumulative GPA, which is reflected on the transcript.

GPA

All classes are included in the GPA on the transcript.
